

REGISTER OF BAPTISMS

1923

When the person baptised is an adult, the word "ADULT" may be inserted instead of the names of the parents or in addition thereto. The names of persons baptised should be given in full, and also the Christian names of their parents. This Register is intended also to embrace the names of all persons in the Congregation who have been baptised in infancy elsewhere, but have not been admitted to full communion.
