

## ***RESEARCH NOTES – JAMES STANLEY HASTWELL***

\*Note by Wendy Baker

This is the only James Hastwell I could find in the tree with children named Claire & Harry. However I don't know when they moved to the South East?

#### CAR OVERTURNS.

#### TANTANOOLA RESIDENT AND CHILDREN INJURED.

When returning from Glencoe about midday on Wednesday Mr, James Hastwell, baker and storekeeper of Tantanoola, who was- accompanied by his son and daughter, Harry and Clare, met with a nasty accident, which might have had more serious consequences. The car was descending the Glencoe hill on the Tantanoola side when a back tyre blew out, throwing the vehicle on its side and precipitating the occupants on to the roadway.

A passing tourist car was immediately on the scene, and the occupants of the overturned car were taken to Tantanoola. Dr. Salts was called from Millicent, and an examination showed that the girl's arm was fractured near the elbow. She also received nasty cuts and abrasions about the head and face. The little boy, Harry, also sustained cuts about the face and head, while Mr. Hastwell escaped with minor abrasions and shock. Mr. A. McAdam, the postmaster at Tantanoola, and a party of local men went to the scene of the accident, and after making adjustments were able to drive the damaged car into Tantanoola under its own power, a broken windscreen and hood being the chief damage. The patients are progressing as well as can be expected at their home, but it is understood that Clare will be taken to the Millicent Hospital
